Paper Primary Acceptance Letter

Dear: *Mohammed K.A Kaabar*

We would like to inform you that, after peer reviewing, the scientific committee of WCEEENG'12 accepted your paper entitled with:

The Benefits of Three Dimensional Transistor in the Microelectronics Area

By

Mohammed K.A Kaabar

The paper will be included in the conference program for oral presentation (not more than 20 minutes). According to the conference policy, the conference proceedings will be edited after the conference. Only the papers presented in the conference and accepted by the session board will be included in the proceedings. If the paper is not presented and discussed in the scientific sessions, it will not appear in the conference proceedings.

The conference is organized in Cairo, Egypt, in the period 23 – 27 Dec. 2012. The exact timing of your paper presentation appears in the conference program.

Looking forward for meeting you in the conference, please accept my best wishes.

Sincerely Yours,

(*W. Sabry*)
